

Stump Grinding Service Agreement

Abundant Life Land & Tree LLC

Client:

Edwin Chen

Date:

June, 01, 2026

Service Address:

1023 Dustin Drive, Edmond, OK, 73003

Phone/Email:

572-208-7083 edwinchen9@yahoo.com

Scope of Work

Abundant Life Land & Tree LLC agrees to grind two Bradford pear stumps located in the front yard of the service address.

- Grind two Bradford pear stumps below finished grade.
- Surface roots may be ground at the operator's discretion where practical and accessible.
- Wood grindings will be left on site.
- Work area will be reasonably cleaned upon completion.

Utility Locate Requirement

Stump grinding will not be scheduled until all applicable underground utilities have been located and marked through Okie 811 or the appropriate utility locating service.

Client acknowledges that stump grinding involves excavation below grade and near existing root systems. Work will be performed only after utility locating requirements have been satisfied.

Exclusions

- Removal of grindings is not included.
- Topsoil, sod, seed, mulch, or landscape restoration is not included.
- Root excavation beyond the immediate stump area is not included.
- Repair of existing irrigation systems, plumbing systems, utilities, or pre-existing underground defects is not included.
- Complete root system removal is not included.

Underground Utilities and Site Conditions

Client acknowledges that underground utility lines, irrigation systems, drainage lines, plumbing, communication lines, and other buried infrastructure may exist near the work area.

Abundant Life Land & Tree LLC will rely upon utility locate markings and information reasonably available at the time of service. Client remains responsible for identifying any private utilities, irrigation systems, landscape lighting, invisible fencing, drainage systems, or other privately installed underground features that may not be identified by public utility locating services.

Access and Permissions

Client confirms they have authority to approve the described work or have obtained permission from the property owner. Client agrees to provide reasonable access to the work area for equipment and operations.

Payment Terms

Total agreed price for stump grinding service:

\$350.00

Payment due upon completion.

Acceptance

By signing below, client authorizes Abundant Life Land & Tree LLC to perform the stump grinding services described herein and agrees to the stated scope, exclusions, utility locate requirements, and payment terms.
