Scope of Work

Abundant Life Land and Tree LLC agrees to furnish labor, plant material, mulch, soil amendments, and associated installation services necessary to complete the Lucinda Garden Bed Renewal project as described in the accompanying proposal found at <https://abundantlife.land/estimates/20260511001.html>

Work includes installation of:

- Structural evergreen shrubs and ornamental focal plants
- Shade-tolerant flowering perennials and seasonal color
- Groundcover and pollinator-supporting plant material
- Mulch and soil preparation as needed for installation
- General bed shaping and planting layout execution

Minor field adjustments may be made during installation to account for root conditions, irrigation layout, drainage, plant availability, or overall visual balance.

Project Investment

Description	Amount
Total Installed Landscape Investment	\$4,945.00
Required Materials Deposit (55%)	\$2,719.75
Remaining Balance Due Upon Completion	\$2,225.25

Total Project Investment
\$4,945.00

Deposit & Scheduling

A non-refundable 55% deposit is required prior to scheduling in order to secure plant material, soil amendments, mulch, and associated installation resources.

Project scheduling is subject to weather conditions, supplier availability, and seasonal planting considerations.

Client Responsibilities

- Provide reasonable access to the work area during scheduled installation periods.
- Ensure irrigation systems are operational unless otherwise discussed in writing.
- Maintain watering and seasonal care after installation completion.
- Identify and disclose any known underground utilities, private wiring, drainage systems, or concealed hazards not publicly marked.

Living Plant Material Disclaimer

Client acknowledges that all plant material is living biological material subject to environmental variability including heat stress, drought, excessive rainfall, freeze events, irrigation inconsistency, pests, disease pressure, wildlife activity, and soil variability.

While installation is performed using professional horticultural practices appropriate for Edmond, Oklahoma conditions, Abundant Life Land and Tree LLC provides no express or implied warranty regarding long-term plant survival, bloom performance, growth rate, or appearance after installation.

Long-term performance depends heavily upon watering consistency, environmental conditions, and ongoing maintenance performed after project completion.

Limitation of Liability

Abundant Life Land and Tree LLC shall not be liable for incidental, indirect, weather-related, or consequential damages associated with plant loss, drainage behavior, shifting soils, irrigation malfunction, acts of wildlife, or conditions beyond reasonable operational control.

Contractor liability, if any, shall not exceed the total amount paid under this agreement.

Acceptance of Agreement
